

## **Non-Principal Broker Agents**

The Company, (w)here, Inc., may decide to enlist Brokers who have not obtained his/her Principal Broker license, but who have a minimum of 5 years' real estate experience and who have fulfilled the requirements to take the classes and the exam. Under this **TEMPORARY SCENARIO**, Suzann Baricevic Murphy will act as his/her "Principal Broker".

Broker agrees that he/she will obtain his/her Principal Broker license and designation by December 31, 201\_\_, but will make every effort to complete it within 6 months of this date. It is (w)here, Inc.'s mission to have an "only" Principal Broker firm.

An exception to this will be agents who have assistants. Assistants do not need the "Principal" designation, as they will be under the supervision of the Principal Broker for whom they work.

Prior to transferring his/her license to (w)here, Inc., Broker agrees to fulfill the requirement(s) set forth above.
